Subject: Northern Pike Fishing Limits

To: [Largon Lake Association members]

Hello Everyone!

I apologize, but I should have copied everyone on the email I sent to Aaron Cole in November about the Northern fishing limits vote.

Below is the vote count I sent to Aaron:

#1 - Keep our 32" MLL/1 fish bag - 9 votes

#2 - Change to 26" MLL/2 fish bag limit - 29 votes

#3 - Change to No minimum length limit/5 fish bag - 18 votes

He said he will get the process going for the 26" limit change.

Aaron also said he took a different job with the DNR. They will be hiring another fish biologist in January.

Thank you all! :) Please let me know if you have any questions . . .

Sincerely,

Corrie
