Meeting Minutes

Not Present: Mark Renstrom (McKinley Township Chairman), and Brad Johnson (Polk County Appointed Rep.)

I. Discussion over process for the Lake Study request

After some discussion the board agreed we will not proceed with the public forum or lake study this season rather we'll complete the current survey (indicating interest or not) and gather the appropriate material (including pushing for the results from the fish survey next spring/2019) for a meeting next season/2019 including representation from the DNR.

The Secretary will record the minutes and send out a notice to the association.

VI. Meeting Adjourned at 10:30 AM.
