

Hello, Everyone!

At our Largon Lakes Annual meeting on September 4, Aaron Cole, a fish biologist with the DNR, spoke about the fish netting that the DNR did on Largon Lake during the summer of 2021.

At the meeting, he wanted to take a vote regarding changing our Northern Pike fishing limits. Because this item was not on the agenda, and the entire membership was not told that this vote was going to take place, we couldn't do an official vote at the meeting.

We would like the entire membership to have the opportunity to vote on whether we would like to change our current 32" minimum length limit (MLL)/1 fish bag to 26" MLL/2 fish bag or No MLL/5 fish bag limit or keep it at the 32" minimum length limit.

Aaron gave a presentation at the meeting – his PowerPoint presentation is attached. He also sent me some additional talking points to explain the information in his presentation – his talking points are also attached.

The voting requirements for our lake district, the same requirements used when we voted for our lake study at our meeting in 2020, state that property owners (as listed on the property tax roles) are allowed 2 votes if at least 2 people are listed on the tax roles. If only one person is listed, then there is only 1 vote allowed for that property. If there are more than 2 property owners listed, or the property is owned by an organization or trust, then the property is allowed to cast up to 2 votes. Voting does not require a majority.

Please respond to this email by **November 16, 2021**, to choose which Northern Pike fishing minimum length limit you would prefer and then I will let Aaron Cole know the results.

PLEASE CHOOSE ONE:

1. Keep our 32" minimum length limit/1 fish bag
2. Change to 26" minimum length limit/2 fish bag
3. Change to No minimum length limit/5 fish bag

We wish this vote could have been done officially, in-person, at the annual meeting, but we weren't aware that Aaron was proposing this vote, so it did not get put on our agenda for all of you to see and be aware of.

Thank you all! ☺

Sincerely,

Corrie Behling
Largon Lakes District Secretary
